

*NHS Alumni Association Scholarship in
Memory of Specialist Wilfredo Perez Jr.*

September 10, 2004

*Dear Mr. Perez
and those associated with this Memorial Scholarship,*

I would first like to sympathize for the loss Wilfredo Perez Jr., as his legacy will live on through the memories of many and in this scholarship.

Next I apologize for the delay of my response from receiving the Norwalk High School Alumni Association Scholarship in Memory of your son Wilfredo Perez Jr. This was due to the summer classes which I had attended during the summer at the University of Connecticut and the sudden move to the University this semester.

As a recipient to this award I would like to thank you and the others who have selected me to receive the NHS Alumni Association Scholarship in Memory of Specialist Wilfredo Perez Jr. I will be attending the University of Connecticut in the Fall of 2004 and your scholarship will be used wisely as I pursue my future plans. I plan on completing college and going on to graduate school, where I plan to major in Kinesiology.

Once again, thank you for your generosity.

Sincerely,

Enrique Perez-Brown Jr.
